

Volunteer Role Description

Volunteer Title: Sexual Health Assistant
Line Manager: Sexual Health Development Officer (Leo Lardie)
Location: Belfast
Hours: 5 hours per month (17.30-20.00 second and fourth Tuesday monthly)

Aim of Post

To assist with managing rapid and full sexual health clinics at Pipeworks, Outside and Rainbow Project, Belfast.

Key Responsibilities

The Sexual Health Assistant will responsible for:

- Helping to carry hazardous waste bin and testing equipment (both quite lightweight) to testing location.
- Signing in clients during rapid and full sexual health clinics.
- Escorting clients from waiting area to testing room.
- Distributing and collecting completed monitoring and evaluation forms from clients.
- Reporting any issues or concerns directly to the Sexual Health Development Officer.

Criteria

Essential Criteria	Desirable Criteria
<ul style="list-style-type: none"> • A commitment to the ethos of The Rainbow Project • Excellent interpersonal skills • A serious commitment to maintaining client confidentiality • Due to testing locations being at Pipeworks and Outside saunas – you must identify as male to be suitable for this volunteer role – • You must be capable of climbing several sets of stairs regularly throughout a clinic as both Pipeworks and Outside sauna do not have accessible lifts or ramps. 	<ul style="list-style-type: none"> • A good knowledge of sexual health • An understanding of what happens during a rapid and full sexual health test – though training can be provided -
